Thank you for participating in the LA Fitness Corporate Wellness Program.

Company agrees to pay L.A. Fitness a Sponsorship Fee of $0.00 plus any applicable sales tax (all pricing may be subject to sales tax, depending on location of enrollment).

The term of this Agreement shall be for one (1) month, commencing on _____ and expiring on _____.

Under this Agreement, the Company's employees will be eligible to join LA Fitness during the Term of the Agreement for the membership rate of $25.00 initiation and $29.99 dues per month plus tax, if applicable (hereinafter 'Monthly Dues'). **This rate entitles the employees to access all current L.A. Fitness clubs except Signature Clubs and clubs located in the counties of Suffolk, Nassau, Westchester and Richmond in the state of New York. Future club locations and brands may be excluded from this membership at the discretion of L.A. Fitness.** Company employees may add racquetball court usage to their membership at an additional cost of $ 5.00 per month.

The Company employees, and any family members, will be required to enter into a current LA Fitness membership agreement as a condition to becoming a member. At the time of enrollment, the initiation fee (if applicable), first and last month's Monthly Dues, plus any add-on fees for additional services elected is due. Monthly Dues are paid by pre-authorized direct debit or credit card payment.

Please select one of the following options for employee enrollment:

- ☐ Company employees to enroll online, through a link located on the Company's secured employee website; or
- ☐ Company employees will use a promotional code (e-voucher) and enroll online at www.lafitness.com/corporatwellness or at one of our clubs. L.A. Fitness will provide the Company with the e-vouchers and the Company agrees to only distribute them to their employees.

If an eligible Company employee enrolled with L.A. Fitness prior to the commencement date of this Agreement (or does so in the future without knowledge of the Company sponsorship and preferential pricing), 1) if using the e-voucher system, the employee may present the e-voucher at the club and his/her monthly rate will be adjusted in future months to reflect the negotiated monthly dues rate about, however, no refunds will be given for any previous funds paid by employee(s), or 2) if using the Company link system, the employee will need to cancel the existing membership per L.A. Fitness policy and re-enroll through the link.

Additional Clarification of Terms:

- There is an extra fee for additional optional services including, without limitation, Personal Trainers, Racquetball Court usage, Kids Klub (Babysitting), Juice Bar, Leagues, and other vendor services available to members.
- Employees may enroll Family Members for this same rate (per person). If using the e-voucher enrollment option, each person will need their own unique e-voucher number.
- The Company understands that reports showing the amount of usage by its employees will not be provided.
